GUINOT CROWN SALON

Well where do we start? October already! Autumn is here.

Re-invigorate our skin, indulge yourself in our luxurious body scrubs from both Thalgo and Guinot followed by a head to toe massage leaving your skin silky smooth.

Back to basics

Cleanser must always be paired with toner! One simply does not work without the other! The truth is a good toner is loaded with antioxidants and skin-restoring and skin-replenishing ingredients that nourish skin. These state of the art products actually enhance the skin's surface, giving skin what it needs to look fresher, smoother and hydrated, and can reduce enlarged pores and lessen redness and flaking. They will prepare your skin for your moisturiser and makeup.

New Guinot Detoxygene facial

An exclusive treatment ideal for those exposed to atmospheric pollution, work in a confined working environment, or, who have a stressful and fast-paced lifestyle. Ideal for those with dull or lifeless skin that incorporates a Reoxygenating Massage to stimulate micro-circulation leaving skin fresh and perfectly clear. The much needed skin detox in these current times.

Peel Marin

For anyone seeking a "new skin effect" that's visible from the 1st treatment.

The peeling renewing treatment with acids from fermented micronized marine algae gives a new skin effect in 30 minutes: smoothing, radiance, plumpness.

Offer Enjoy our Peel Marin facial and receive 15% off Thalgo sun cream. It's important to protect your skin at all times.

Just because the sandal season is over, we must not forget about our feet... after all, they work so hard for us!

Mavala stock a wide range of foot care from conditioning moisturiser to smoothing scrub cream and concentrated foot bath: everything you need to look after your feet at home.

Guinot foot treatment

Softens and rejuvenates the feet . Removes dead skin and softens rough patches. An application of Longue Vie Pieds foot cream deeply regenerates damaged skin. A perfect treatment to add on to your other treatments to make you feel even more pampered. 30 minute treatment £30 or add the treatment to your pedicure for £25.

Concessions for Autumn
