

# Skin Saviours by Guinot!

## Huile Demaquillante Eclaircissante

### Perfect Brightening Cleansing Oil

This Cleansing Oil is ideal for starting a brightening treatment thanks to its concentration in Melanoxyl and Vitamin C and is perfectly suited to sensitive skin.

When mixed with water the oil becomes a milky emulsion which cleanses the skin removing makeup and ridding it of impurities. Skin is left feeling soft and comfortable whilst specific brightening ingredients help to reduce dark spots and brighten the complexion.

## Masque Vital Antirides

### Anti Wrinkle Mask

Achieve a new radiant glow with this Guinot Anti-Wrinkle Mask. It helps to erase signs of fatigue whilst smoothing your features, leaving your skin looking radiant.

Guinot Masque Vital Anti-rides helps to reinforce the elasticity of the skin. It rejuvenates the skin and restores its natural beauty.

**Buy any Crème Vital Anti-rides and receive Masque vital Anti-rides at half price.**

## Brume Hydra Mist

### Hydrating Mist

Guinot Brume Hydra Beauté Mist is a light and hydrating spray that keeps your skin moisturised throughout the day. With a combination of Hydrocyte Complex and green tea extract it refreshes the complexion ensuring its never left dull or dehydrated.

Wonderful for setting your make up as well.

### Questions Asked

You want to look the most beautiful version of yourself on your wedding day. We have all kinds of packages to meet your requirements.

We'll plan your hair and beauty routine in the month leading to your special day.

What are your desires, you cannot start too early.

Healthy hair, try your styles, build your confidence with your stylist and therapist.

Start with hands to show your beautiful ring.

Toes - on show, plus very comfortable beautiful feet - pedicure.

Experiment with colours and techniques.

Gels are more costly but last at least twice as long as a manicure, with the LED lights it will give a harder finish.

Eat healthy we know that glass of celebratory alcohol is lovely, but remember if over indulged the skin is puffy, not to mention it encourages you to crave mainly bad nice food. Start as early with your beauty regimes it takes 6 weeks minimum to renew your skin cells

We recommend at least 3 month programme to help your body, face and hair to look wonderful.

Ask for a consultation to assess your needs.

Are we going to require eye enhancements with beautiful lashes. Brow tidying. Waxing, Body exfoliation, sculpting.

Natural tans, no sun beds. Try a spray tan before to experience how it looks and how to maintain it. If you like the look schedule it a few days before so on the day it is a beautiful glow – not tangoed! Make up trial.

All your needs will be met now enjoy your special day.
